Subject FY 2009/10 Highway Maintenance Projects - Request for Programming

Greetings,

Attached is the list of State Highway Maintenance (HM) projects for FY 2009/10. Please program these projects in your 2009 FTIP through next FTIP administrative modification/amendment. Note that these projects can be added to existing Grouped Projects with similar type of work through administrative modifications and in accordance with the amendments and administrative modifications guidelines.

The Total Project Cost (Column G of the attached excel file) includes the construction capital cost and all associated support costs. Use the fund types below to program these projects. Note that the appropriate fund type for each project is listed under "Column O" of the attached excel file. The percentage of federal funds (NHS, STP) to matching state funds (State Cash) is 88.53% to 11.47%. Thank you.
